Good morning, everyone! This is Sophia from Class 731 with your Words of Wisdom for this Wednesday. As Mother Teresa once said, "Spread love everywhere you go. Let no one ever come to you without leaving happier."

Remember, we all deserve love and kindness from those around us. Despite our mistakes, we are all human and equal, and should never be treated with disrespect or as if our worth is not important. Being rude or negative towards others will not benefit you in any way. Instead, let us practice human decency by treating everyone with kindness, even when it may be difficult.

As the saying goes, "Treat others how you want to be treated." The kindness you show to others will always come back to you in some way.

Thank you for listening, and have a Watch Your Words Wednesday 😊
