Good morning! It's Rainie from 831, and I'm here on behalf of the S.E.A.L Team for S.E.A.L Summary Friday.

Welcome Back IS 201!!!!

As the new school year begins, there's a feeling of excitement and looking forward to what's to come. It's a chance for all of us to start over, learn new things, and make the most of our time here.

Our teachers and staff are here to support us, guide us, and inspire us to reach our fullest potential. They are here to help us succeed, and it's up to us to make the most of the opportunities they provide.

Let's remember that we're not just here to attend classes and take tests. We're here to make friendships, discover our passions, and build memories that will stay with us long after we've moved on from these hallways.

And most importantly, let's try to make our school a place where everyone feels like they belong, are accepted, and are important.

Thanks for listening have a Fantastic Friday and a Welcome Back Weekend 😊
