

March 3, 2023

Good morning! It's Rainie from 731 and I'm here this SEAL Summary Friday on behalf of the S.E.A.L Team.

As we begin the month of March, it's important to remind ourselves that the end of the quarter is approaching. We must keep focused on our goals and work diligently to achieve success.

As the famous author and motivational speaker, Zig Ziglar once said, "Lack of direction, not lack of time, is the problem. We all have twenty-four-hour days." So, let's make the most of our time and stay focused on what matters most.

Remember, success is not achieved by chance. It requires a clear vision, a strong work ethic, and a relentless focus on our goals. So, let's continue to work hard and push ourselves to be the best we can be.

Our education is a top priority, and we want to see each and every one of you succeed. So, let's finish this quarter strong and show what we're capable of!

Thanks for listening and have a Focused Friday ☺
